Last updated: March 2024

The Board of Directors and the Architectural Review Committee (the “ARC”) have, pursuant to the Declaration of Covenants, established certain standards for our community. These Standards are in addition to the original Covenants, Deeds and Restrictions of Oak Knoll Estates and do not encompass all of the rules and regulations that govern our community.

### **ABOVE-GROUND POOLS**

Above-ground pools are NOT permitted on homeowner’s property.

### **ARCHITECTURAL REVIEW COMMITTEE (ARC)**

All exterior changes to your home require ARC approval. Failure to obtain approval for exterior changes can result in your being instructed to remove/or modify any changes you have made, at your expense. Accordingly, the Board and the ARC require homeowners to obtain approvals BEFORE commencing work.

### **ARCHITECTURAL REVIEW COMMITTEE APPROVAL-PRIOR APPROVALS NOT PRECEDENT**

All approvals are considered on an individual basis and expire 45 days from the approval date. If work does not commence within 45 days, please notify the HOA Board Secretary; a new request may have to be submitted to the ARC for approval. Prior actions/approvals are not a determinant of any future action or approval.

- **PAINTING/ROOFING/ALTERATIONS/ADDITIONS**

Homeowners **MUST SUBMIT AN APPLICATION** to the ARC and **OBTAIN APPROVAL PRIOR** to starting the work, as per section 4.1.3 of the Declaration of Covenants. Failure to obtain approval may result in the homeowner being required to remove/undo the work done.

Copies of the building permit and the approval of the Drainage District (where applicable) must be submitted to the ARC **before** construction begins.
